ABOUT This coloring book uses all of W. W. Denslow's full page illustrations plus a handful of the spot illustrations from **Billy Bounce**, which is in the public domain. Denslow (1856-1915) is best known for illustrating **The Wizard of Oz**. If you want to read the story, you can find it on the Internet Archive.

The title font, which includes Denslow's signature seahorse () was created by Mario Arturo.

I adapted the art for coloring pages in my annual calendar (yearofthecalendar.com), so I decided to produce a free bonus coloring book as a karmic thank-you to promote and further share Denslow's work.

You may print & freely distribute this book. My coloring adaptations are covered for free non-commercial use by the Creative Commons license below. While my adaptations may not be used for commercial work, you can certainly go back to the original source art in the public domain and use that for any commercial application of your own.
